Good afternoon David,

Please provide a drawing for Next Step Design in their format (plan view, isometric, elevation and utilities specs including total BTU per line up) for their project Cherokee Casino. Attached are the CAD plan, a PDF file with the quoted equipment highlighted in red outlines, and a copy of our quote for the equipment spec. The drawing file is needed by COB 9/1/21 or sooner.

If you have any questions or need anything else, please let us know.

Thank you.
