Hi David,

Can you put drawings together for the HD Lineup quoted below? I have a hand drawing attached for reference.

End User is The Confluence Hotel in Hastings, MN

Can you still do a drawing for Vulcan HD lineup? Can you do this for Confluence? Is there a CAD version you can send along with a pdf?

Similar to one that I did a few years ago (attached)

Hey dude—

Quoted two separate projects so we don't get too confused 😊

First is the individual units.... Using Endurance restaurant series range, individual fryers and MSA griddle:

[EXTERNAL]

Hey!

I'm contracted to design this kitchen. I'd like to do a heavy duty line up in the center of the kitchen. I don't know this line as well as far as model numbers go

I'll need

2 40# Fryers - no filtration

Flat Top 72"

8 Burner Range with Salamander - with finishing oven

Dual Stack Convection oven

Let me know what I am missing. Drawing is attached
