Subject: Ezell's Fryers

Hi David,

Hope you are well!!

Could you please put together a drawing that shows 2 4 bank fryers that are side by side.

4TR45DF that has a basket lift on the far right fryer – 4 TR45DF that has a basket lift on the far left fryer.

These will be next to each other.

If you have any questions, please let me know.

Thanks!!!
