Happy New Year Dave,

Next Step Design needs the Vulcan equipment drawings for the Fenton Live project by this Friday so they can release the project next week. Can you please provide the drawings for the attached items by Friday? The specs, plans and CAD are below.

I appreciate your help with the request.

Thank you,

Rick Lisby

Good Morning Rick,

I just wanted to follow up with the status of these drawings again. I have also included an AQ export of our latest Equipment, I believe items #47 and #68 have been updated.

I have also included our latest plans in pdf and cad.

Please let us know if you have any questions.

Thanks,

Ben Dallas, Technologist OAAAS

Good afternoon Barb,

We have a project starting up called Fenton Live! In North Carolina that has some Vulcan cooking equipment. Would you be able to send us a quote for the equipment, if we could have it by the end of this week it would be appreciated.

I have attached our latest plans and at list of the equipment, please let us know if you have any questions.
