Hi David,

I was just informed that this project will need to be curb mounted. Can you please show that on your drawings?

Thank you,

Subject: Westin Hapuna Specifications

Hi David,

We have a new project we are working on that we would like your help with on drawings.

Equipment is listed left to right.

V2BG24C with burners on right and 36RB mounted  
V6B36C/V2B12B with 36RB mounted on the 36" range.

Please let Danny or myself know if you need anything else.
