Hi David,

I have put together a new quote for this job. Could you please provide a matching drawing? This will supersede my previous request.

PDF is attached.

Thank you & Happy Friday!
Chris

Hi David,

Could you please update your drawing to match the quote attached?

Reference: <https://www.davidbethel.com/HGLND/VH-HGLND.PDF>

Changes:

- convert spreaders to VWT12B with no cabinet door, and one shelf
- add a VWT12B to the left of Charbroiler, right of Fryers.
- Charbroiler and Griddle become ranges with standard oven bases (VCBB36S and VGMT36S)
- common condiment type front ledges

- all on adjustable casters

Thank you!
Chris
