Good afternoon David,

Checking status on this drawing revision request. When can it be expected?

Thank you.

Good afternoon David,

Next Step Design advises this project has been redesigned. The Vulcan quote has been updated to match their changes and is attached. Also attached is their CAD file as well as an extracted PDF view of the pieces we are quoting.

Please update the drawing file and return to us by COB 5/17/21 or sooner.

If you have any questions or need anything else, please let us know.

Thank you.
