Subject: New Order - Company Kitchen Intrado (Due 6/28) - Bob Walsh

Design Team,

Here is an order that will need to create a drawing package for signoff for. There is one standard unit and then one modified unit.

Sales concept number is C-12580. *Please refer to the quote as the final spec document, not what is in the DSM's concept.*

Deliverable Requested – CAD + Rendering for Customer Signoff. Let me know if there are any questions – thank you
