Good morning Dave
I wanted to forward more series 4 requests to you.

This is an order from Jim Edson, but since he is out of the office you can contact Mike Komendat for any questions.

Regards
Chris

David,

Server 67

1. Remove interior plex panels (Engineering will make a bracket to hold up the panels)
2. Add second control pad for the second drop in.

All else looks good..

Good morning,

This is one of the more complex layouts that I've had in a while !

Lots to proofread and confirm with the quote (I did not double check the PO)
