Hi Manny,

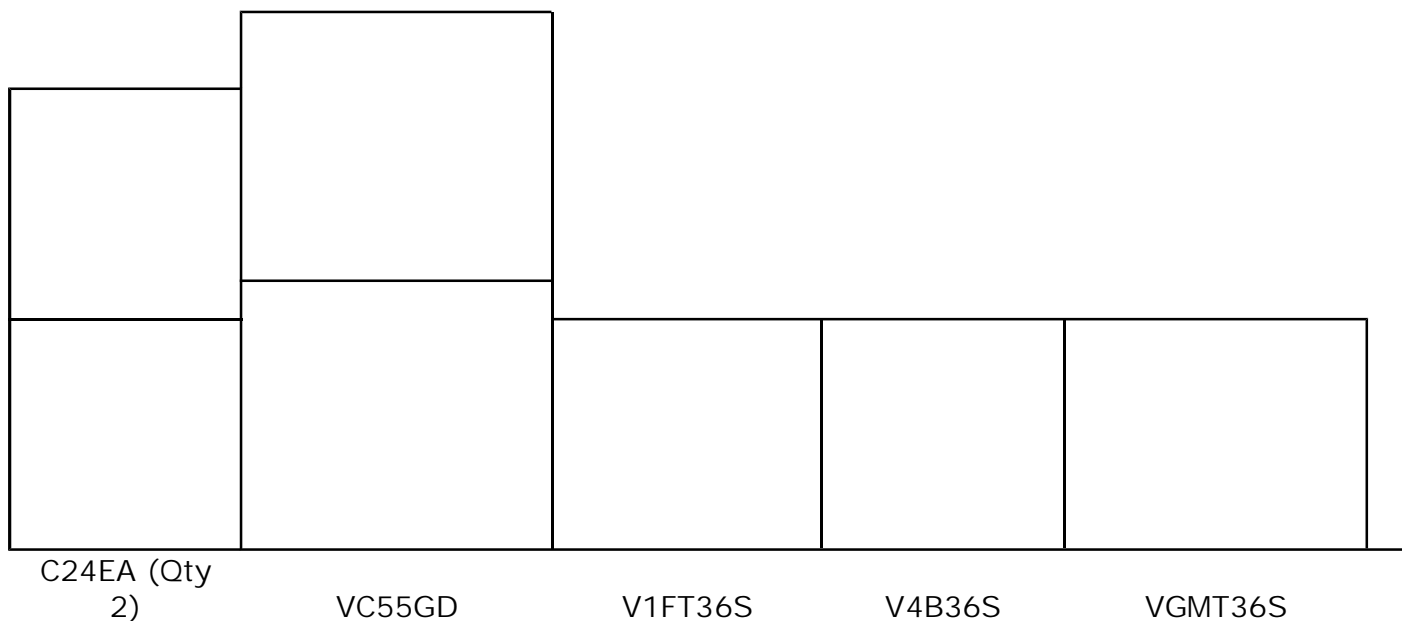

Below is your quote for the Cookline at Lee Manor. They currently have a Single Steamer at the beginning that does not support their current needs. I have quoted one 5 Pan unit with two 5 pan units stacked as an alternate (so they can cook 10 pans total). The rest of the Cookline is a "like for like" replacement of their current setup.

David,

Can you put a CAD file together for this Cookline? Setup should look like:
