David,

Here is a new project that has high priority(attached).

The accurate spelling for the name of the school is: [School name : Lukachukai \(Native American\)](#)

Sorry, I did not get your voicemail until today. I was in a meeting all yesterday afternoon.

Did you get your questions resolved? It looks like you might have because you sent Kirkwood in?

Jill

David-

1. Remove vertical bg per red lines
2. Change electrical per red lines
3. Add call out for end glass snippet below(If you can't I will add notes on your updated drawing)

Thanks Much!

Jim
