Subject: New 4-Series Design Request - Muskego High School - Emily Freis - Due 1-6

Design Team,

Here is a new design for some 4-Series units that sales started in concept. Overall it is two lineups that are pretty similar with some equipment changes. Units 1-3 Make Line 1 and Units 4-6 Make Line 2. I have included the concept drawing files and the sketch from sales.

Let me know if there are any questions, thanks
