Hi David!

Could you please provide a drawing for items 1-5 per the build-up found here: [Review "Norwood Crossings" Quote](#)

This is for a project called Norwood Crossings: 6016 N Nina Ave, Chicago, IL 60631

Here are some DIMS I took in the field:

- Hood System: 168" Exterior DIMS. 162" Interior DIMS.
- 162" - 6" - 6" for code/clearance = 150" of workable equipment space.
- EQUIPMENT FROM LEFT TO RIGHT:
  - Fryer: 15.5"
  - Griddle: 36"
  - Range: 36"
  - Charbroiler: 24"
  - Existing Double-Stack Ovens: 40" (Existing VC44GD to be reused)

If possible – to get this back before Friday EOD – that would be fantastic. Thank you and please let me know if you have any questions!
