David,

Can you get me a rendering of this line up?

102" Length, Left to Right as the quote reads.

24" char, 24" griddle on Ref base with 48" flow through High Riser, then 6 burner range with step ups, salamander on top, then VFRY18

Common condiment front rail.

Could you also show colors on the bases? They want it painted RED.

Thanks!
