David,

Please complete a drawing package for the project attached, it is two separate serving lines one for boys and one for girls

[View "Bar Boy / Riverhead Middle School / SIGSERV" Quote](#)

I have attached the customer provided sketch, make the units match the quote and disregard the OAL listed on the customers sketches

Thanks

David,  
Please add note for heated shelf on server 3 and remove view of receptacle on exterior from view in lower right on Server 4. That should take care of it-Thank you!  
Jill
