Good morning David,

Please provide a drawing for Next Step Design in their format (plan view, isometric, elevation and utilities specs including total BTU per line up) for their project Somerset Sports and Social. Attached are the CAD plan, a PDF file with the quoted equipment highlighted in red outlines, and a copy of our quote for the equipment spec. The drawing file is needed by COB 10/15/21 or sooner.

If you have any questions or need anything else, please let us know.

Thank you.

Good afternoon David,

Next Step Design advised that they needed all the Vulcan pieces on this project to be stand alone so we updated our quote and now need the drawings updated to match. Copy of our revised quote is attached. Need date for the revised drawing is COB 11/1/21 or sooner if possible.

If you have any questions or need anything else, please let us know.

Thank you.
