Subject: ORDER - New (4-Series) - Uniondale Walnut St School (Quito/Tri-State) # DUE = Next Available

Hello,

We have a PO in house and need the drawing for customer sign off – project is Uniondale Walnut St School.

Item 1 is custom, the other units are standard. For item 1, they want the equipment on Operator Left, Utility on Operator Right.

Customer has not sent in the laminate selection, when I have it, I will email it over.

I have attached:

1. Quote
2. Sketch from sales

REQUESTED DELIVERABLE = Drawing Packet for Customer approval

Please let me know if you have any questions.

Thanks,
Sheila
